as a member of Starport Marina Inc. confirm that I have read, that I am familiar with and that I fully agree with the intent of the Clean Marine Policy:

As the owner, I commit my guests, my crew and myself:

1. To keep all refuge and garbage of any kind on board the boat until we are able to place it in the waste containers provided.

2. To separate all recyclables and place them in the appropriate containers.

3. To separate hazardous wastes including used oils, oil filters, antifreeze, unwanted paints, solvents/ cleaners, batteries, old unusable fuel and to dispose of them in accordance with marina guidelines.

4. To take all necessary steps to avoid spilling fuel, oil, chemicals or cleaners into the water and to refrain from pumping oil-contaminated bilge water overboard.

5. To follow all instructions at the gas dock and or pump out stations.

6. To carry out repair work on my boat in designated areas only while taking precautions required by the marina to avoid leaving any debris and litter contaminants on the ground.

7. To use the pump out stations provided for emptying waste tanks.

8. To use environmentally-friendly products whenever possible.

9. To operate my boat in a safe and considerate manner at all times by operating the engines only when necessary and to avoid a wake when entering or leaving the marina facilities.

10. To ensure all lights and air-conditioning units are shut off when absent from my boat.

11. To show respect for the environment that we share with fish, birds and other animals.

12. To promote Clean Marine practices at all times.

13. I agree to keep my dock space clean and organized at all times and will adhere to policy on approved items *one Starport branded dock box *one regulation size table * one BBQ * one Umbrella
